Dr. Kuldeep Dhama

We acknowledge and congratulate Narra J Co-Editor-in-Chief, Dr. Kuldeep Dhama, as a Highly Cited Researcher (HCR) 2021 by Clarivate [1]. HCR award is to recognize true

pioneers in their fields over the last decade, demonstrated by the production of multiple highly-cited papers that rank in the top 1% by citations for field and year in the Web of Science [1]. Dr. Dhama, is a Principal Scientist at ICAR-Indian Veterinary Research Institute in Izatnagar, India. He is a NAAS (National Academy of Agricultural Science, India) Associate, Fellow-Royal Society of Medicine (FRSM), UK, and has worked as Nodal Officer, WTO, and a member of Wildlife Health Specialist Group (IUCN). His research and teaching experience cover microbiology, immunology, virology, public health, medicine, and biomedicine. He is actively serving as Editor-in-Chief, Co-Editor-in-Chief, Editor, Associate Editor, Guest Editor and Member of Editorial Board for more than 15 scientific journals. Dr. Dhama role as Co-Editor-in-Chief of Narra J will enhance the quality of the Narra J towards one of the reputable journals in the near future.

Dr. Dhama has been recognized as an extremely productive researcher in one article published in Nature in 2018 [2]. In his 27 years of research experience, he has published a great quantity of research with over 578 publications indexed in Scopus and h-index of 50. Congratulations on an impactful career!
